"Notice to Owner" (Section 7018.5 - Contractors License Law)

Under the Mechanics' Lien Law, any contractor, subcontractor, laborer, material man or other person who helps to improve your property and is not paid for his labor, services, or material, has a right to enforce his claim against your property. Under the law, you may protect yourself against such claims by filing, before commencing such work or improvement, and original contract for the work of improvement or a modification thereof, in the office of the county recorder of the county where the property is situated and requiring that a contractor's payment bond be recorded in such office. Said bond shall be in an amount not less than fifty percent of the contract price and shall, in addition to any conditions for the performance of the contract, be conditioned for the payment in full of the claims of all persons furnishing labor, services, equipment or materials for the work described in said contract.
