5. Engineering and plan check fees.
6. Premium time labor.
7. Any additional electrical work not mentioned.
8. Demolition and removal safe off only.
9. Temporary lighting and power.
10. Repair and replacement of existing conduits and/or utilities.
11. Formed and/or finished concrete work.
12. Repair and replacement of landscaping.
13. New gravel. (Replacement of scratch back at excavation area)
14. Patching and painting.
15. Patching and repair of fireproofing.
16. Work required bringing existing conditions into current code compliance.
17. Costs for removal and disposal of hazardous material.
18. X-raying of existing slabs and/or walls.
19. Waterproofing of roof/wall penetrations.
20. Dumpster fees.

Many of our distributors and representatives have advised that until further notice they reserve the right to amend the delivery date, price, scope and quantity of supply and/or other terms and conditions set out in their offer or quotation and DKS Electric equally reserves the right to pass through any such changes from its manufacturing partners to the Buyer. Delivery dates are estimated only. DKS Electric shall not be liable for failure to meet such dates resulting from product shortages or manufacturing delays. Be advised that DKS Electric considers any changes imposed by its manufacturing partners and other vendors outside of Seller's reasonable control and therefore subject to Force Majeure provisions or similar common law doctrines such as "frustration" or "impossibility".

Wheatland, CA

**Please note the following clarifications:**

1. This bid assumes surveying required for electrical installations will be performed by others.
2. This bid assumes all work to be performed during normal business hours with free and clear access to the workspace.
3. This bid is based upon use of industry standard code approved materials and methods.
4. This bid includes 100a feeder, conduit raceway (EMT &PVC) and wiring to new building.
5. This bid includes excavation and backfill between buildings.
6. This bid includes a new 100a sub-panel to service new lights and outlets.
7. This bid includes 4ea. Hy-Bay LED lights with motion sensors.
8. This bid includes 4ea. Wall Packs LED with P.E. cells.
9. This bid includes 7ea. 120v outlets, protected by GFCI.
10. This bid includes a drawing we have prepared for City review.

Should you have any questions regarding this project, please contact me.

Very truly yours,

**DKS ELECTRIC INC.**
